

URRG GPS Tracker Rental Agreement

(Cost \$10 – Due at Time of Rental)

I, _____, in renting a GPS tracker system from URRG, understand the following:

(Initials) _____ URRG does NOT guarantee that I will recover my rocket

(Initials) _____ URRG does NOT guarantee any specific level of performance (range, max altitude, max G loading, etc.) for the GPS tracker system I am renting

(Initials) _____ I will pay the full replacement costs (outlined below) for any damaged rental equipment or equipment that is not returned on the same day as my rocket flight

(Initials) _____ The URRG GPS tracker rental is only valid for a single flight, and after recovery I will return all rented equipment to the LCO desk in a timely manner

(Initials) _____ No modifications of any kind (including reprogramming) of the rental equipment is allowed
